

# IMAGO DEI

*equipping churches to respond to abortion*

---

*Imago Dei* is an initiative of the Canadian Centre for Bio-Ethical Reform (CCBR) working to mobilize churches across Canada to save God's tiniest image-bearers from abortion, and to offer hope and healing to post-abortive men and women. We offer presentations and resources to inform and equip the Church to fulfill our biblical calling to love our pre-born neighbours and wounded culture.

In Canada, abortion is legal at any point in pregnancy for any reason. Approximately 300 pre-born children are brutally killed every single day. For every four children who are born, one child is killed by abortion. As ambassadors for the Creator of life, we have the privilege and responsibility of defending their lives. Scripture commands us to rescue the innocent from death (Prov. 24:11), to care for orphans and widows (James 1:27), and to expose evil (Eph. 5:11).

*“Miranda equipped our young adults’ group to respond to the masked evil of abortion in Canada in a biblically-informed, persuasive, and gentle way. More than ever, Christians need to give not only their passive solidarity but their active participation in order to save the lives of children. I heartily recommend that [your church] book a presentation from CCBR.”*

# PASTORS & CHURCH LEADERS

1. Please keep the emergency of abortion in your weekly corporate prayers. Visit [imagodei.ca/pray](http://imagodei.ca/pray) for a list of prayer requests.
2. We have posters and brochures that we'd love to mail to your church so that your congregation knows about our upcoming training and outreach opportunities. Send me your church's mailing address if you'd like to receive these.
3. You can subscribe to our quarterly e-newsletter for churches at [imagodei.ca/subscribe](http://imagodei.ca/subscribe). We encourage you to forward them to your congregation through your church's email chain too.
4. Pastors attend all events free! We believe it is essential for church leaders to be equipped to respond to abortion, and we never want cost to be a barrier. Check out [endthekilling.ca/take-action](http://endthekilling.ca/take-action) to find an upcoming event near you!
5. If you'd like to learn more about CCBR before inviting us to speak at your church or promoting our events, please send me an email - I'd love to meet with you and share more about our work.
6. Do you know of other pastors who would be interested in learning more about CCBR? Please connect them to us!

**I'd love to hear from you!**

*"After hosting two presentations by CCBR I believe I can heartily commend them to you. The speakers were very knowledgeable and committed to the cause of the unborn. I was both moved and encouraged to wrestle with my own lack of effort and prayer for the grave and sad condition of our society."*
